

Orca Salmon Alliance is Proud to Present:

June 2021 Orca ACTION Month

Orca Action Month in June is a chance to celebrate our region's most iconic marine mammal, the Southern Resident orcas. This year's theme, "We are Family", highlights the inextricable connections we share with these magical, highly social creatures. Join us for events throughout June to learn how you can help the Southern Resident orcas while restoring and protecting our shared environment.

We are family!
