

Georgia Strait Alliance Achievements

Georgia Strait Alliance is a not-for-profit organization working to protect and restore the marine environment where 75 per cent of British Columbians live, work, and play.

Since 1990, we have been working with the community and experts to find science-based solutions to the problems and issues that threaten Georgia Strait. The graphic below outlines some of our recent achievements:

About Georgia Strait Alliance

Georgia Strait Alliance is a not-for-profit organization working to protect and restore the marine environment where 75 percent of British Columbians live, work and play. GSA works with the community and experts to find science-based solutions to the problems and issues that threaten the Georgia Strait. A healthy and protected marine environment is good for the economy, communities, and wildlife. <http://www.georgiastrait.org>
