

IN CELEBRATION OF ORCA MONTH

Have you heard of Georgia Strait Alliance's
Plogging for Orcas Challenge
to raise funds to help keep the Salish Sea
clean for orcas?

**"I pledge to pick up at least 75 pieces of litter
over the month of June, one for each
Southern Resident orca in the Salish Sea!"**

**DID
YOU
KNOW?**

Plogging is a Swedish eco-fitness trend and word that combines picking up litter with jogging. But you can walk, hop or roll too!

To sponsor me and make a donation to
Georgia Strait Alliance,

scan the QR code below or visit
give.charityvillage.com/plog4orcas
and find my campaign:

Print your name/team name here:

I will use gloves or a trash picker and make sure to follow all public health orders to keep myself and others safe! I accept and fully assume all responsibility for the inherent risks associated with this event.

Thank you!
