

# TAR SANDS TANKERS IN THE SALISH SEA

PHOTO: EVAN LEESON

## An Opportunity to Have Your Say

### KINDER MORGAN'S TRANS MOUNTAIN EXPANSION PROPOSAL

would quadruple the number of tankers transporting diluted bitumen (tar sands oil) through the Gulf Islands and the Salish Sea.

This community event provides an opportunity to discuss the risk to our local environment and wildlife, and will explain how you can voice your concerns.

Presented by Raincoast Conservation Foundation, Gulf Islands Alliance and Georgia Strait Alliance.
