

Healthy Oceans. Healthy Communities.

Proposed Expansion of Mainstream / Cermaq Salmon Farm Tenures in the Broughton Archipelago: Proposals submitted to the Province as of July 2008

Mainstream / Cermaq Farm Name	Current Licensed Production (mt)	Proposed Increase (mt)	Proposed Total Production (mt)
Burdwood	3,000	819	3,819
Cecil Island	650	2,995	3,645
Cliff Bay	300	2,400	2,700
Cypress Harbour	10	447	457
Maude Island	860	2,065	2,925
Mount Simmonds	675	2,725	3,400
Providence Point	Proposed	3,100	3,100
Simoom Sound, N. Wishart	140	535	675
Sir Edmond Bay	1,000	2,100	3,100
Wehlis Bay	675	2,125	2,800

Note: Marine Harvest is also proposing amendments along with an area-based cap on production. These should be to facilitate the company's proposal to empty farms on alternating years on north/south migratory routes during the spring outmigration of wild salmon. CAAR is awaiting a decision on implementation of this plan.

Company / # Licenses

- Marine Harvest (Norway) / 19
- Mainstream / Cermaq (Norway) / 10 ***
- Grieg Seafood BC (Norway) / 1

*** sized by current licensed production

- Expanded symbol sized by proposed total production

Status

- Licensed Salmon Farm
- Salmon Farm Application

- Juvenile salmon migration to sea - major route
- Juvenile salmon migration to sea - other route

Salmon Farm Locations and Status: BC MAL; Migration Routes: Local Knowledge
